Ref. No. : 3125

Date : Date 19-08-2021

### TO WHOM SO EVER IT MAY CONCERN

I am glad to know that a research proposal to undertake research in the Department of Physics at K L E Society's Basavaprabhu Kore Arts, Science and Commerce College, Chikodi was accepted by Vision Group on Science and Technology (VGST), Government of Karnataka under the scheme "Centres of Excellence in Science, Engineering and Medicine". VGST has sanctioned Rs. 50 lakh rupees for the purchase of scientific equipment's during the year 2020-21.

As the funding by the government was sanctioned for the purchase of equipments, immediately, college authorities wrote to KLE Society Belagavi with a request to allocate a spacious room in the newly built block of the college campus and **seed money for the establishment** of full-fledged laboratory. College authorities appealed the management to establish the laboratory before the arrival of purchased equipments.

Appreciating the efforts of the faculty of the college, KLE Society, Belagavi allocated a room for the research laboratory and spent Rs. **18,40,000/-** towards installation of all the essential accessories. *The amount spent herewith is out of the seed money of the KLE Society, Belagavi earmarked for the promotion of research in its institutes.* The laboratory is now fully established at Basavaprabhu Kore Arts, Science and Commerce College, Chikodi and soon the same will be named as "*Centres of Excellence in Science*"

To,

Principal

## ACKNOWLEDGEMENT

We express our profound gratitude and sincere thanks to our beloved teacher and project supervisor Dr. Nagappa L. Teradal, Assistant Professor, Department of Chemistry, J.S.S. Arts, Science and Commerce College, Gokak. It gives us a great pleasure to acknowledge the dedicated efforts, sustained interest, affection and all kind of encouragement that we have received from him, throughout my project work in spite of his busy schedule.

We are extremely thankful to Dr. A.S. Terdal, Principal of J.S.S Arts, Science and Commerce College Gokak, for providing all the necessary facilities during my project work. We would also thank Dr. R. S. Baligar, Coordinator of P.G. Dept. of Chemistry for his continuous support and encouragement.

We are enormously thankful to Dr. U. R. Rajput, Principal, KLE's B. K. Arts, Science and Commerce College Chikodi, for giving us the permission to use institution research lab facility. We would also thank Project Collaborator Dr. S. S. Matteppannavar, Assistant Professor, KLE's B. K. Arts, Science and Commerce College Chikodi for providing his research lab instrumentation facilities during my project work.

We also thank all the teaching and non teaching Staff of the Chemistry Department for timely help.

We owe my special gratitude to my parents, brothers and sisters whose blessings sacrifices and moral support made this endeavor of mine a reality.

Finally, we thank all those who had helped us directly or indirectly to complete this work.
