Sub: Mentees Report.

Respected Sir,

BSc 1st sem 2019-20 batch 20 students were allotted to me for mentoring. Throughout the semester few students performance is extremely good, but few students were not up to the mark. In the semester end examination many students failed due to several reasons, (flood & bus timings) they were absent for few classes. So its strictly instructed to all the mentees to attend classes regularly & discuss with respective class teachers.

For failed students we have collected the previous year questn papers and informed them to write the answers their own, & problems solved by the help of teachers and advance learners.
