Analysis of Teachers Feedback on Curriculum 2016-17

Question No. 1:	Around 50%	Around 75%	Above 75%	None
What % of syllabus of the existing syllabus should be retained during revision.	70%	20%	10%	
Description: 70% Teachers feel that around 50% of syllabus of the existing syllabus should be retained during revision and 50% teachers feel that around 75% of syllabus of the existing syllabus should be retained during revision and 10% teachers feel that above 75% of syllabus of the existing syllabus should be retained during revision.				
Question No. 2:	Around 50%	Around 75%	Above 75%	None
What % of the existing curriculum is in tune with emerging global, national trends relevant to local needs ?	10%	90%	-	-
Description: 10% Teachers feel that around 50% of the existing curriculum is in tune with emerging global, national trends relevant to local needs and 90% teachers feel that around 75% of the existing curriculum is in tune with emerging global, national trends relevant to local needs.				
Question No. 3:	Around 50%	Around 75%	Above 75%	None
Scope of the existing curriculum in imparting different life skills.	30%	60%	10%	-
Description: 30% Teachers feel that around 50% of the existing curriculum in imparting different life skills and 60% teachers feel that around 75% of the existing curriculum in imparting different life skills and 10% teachers feel that above 75% of the existing curriculum in imparting different life skills.				
Question No. 4:	Around 50%	Around 75%	Above 75%	None
What % of the curriculum is relevant and appropriate for gaining self-employment.	10%	60%	30%	-
Description: 10% of teachers feel that around 50 % of the curriculum is relevant and appropriate for gaining self-employment and around 60% of teachers feel that around 75 % of the curriculum is relevant and appropriate for gaining self-employment and 30% teachers feel that above 75% of the curriculum is relevant and appropriate for gaining self-employment.				
Question No. 5:	Around 50%	Around 75%	Above 75%	None
What % of the syllabus has scope for students to undergo experimental, blended and participative learning.	20%	30%	50%	-
Description: 20 % of teachers feel that around 50 % of the syllabus has scope for students to undergo experimental, blended and participative learning and 30 % of teachers feel that around 75 % of the syllabus has scope for students to undergo experimental, blended and participative learning and 50 % teachers feel that above 75% of the syllabus has scope for students to undergo experimental, blended and participative learning.				

Question No. 6:	Around 50%	Around 75%	Above 75%	None
Content of the present syllabus is oriented towards innovation and creativity.	30%	50%	20%	
Description: 30 % of teachers feel that around 50 % of the present syllabus is oriented towards innovation and creativity and 50% of teachers feel that around 75 % of the present syllabus is oriented towards innovation and creativity and 20 % of teachers feel that above 75 % of the present syllabus is oriented towards innovation and creativity.				
Question No. 7:	Around 50%	Around 75%	Above 75%	None
What % of the syllabus is useful to students to face the copitative examination after graduatin.	10%	-	90%	
Description: 10% of teachers feel that around 50 % of the syllabus is usefull to students to face the copitative examination after graduatin and 90% teachers feel that above 75% of the syllabus is useful to students to face the copitative examination after graduatin.
