Respected Sir,

**Sub:** Request to consider the inputs of our students while revising the UG curriculum in Zoology

**Ref:** Feedback collected from BSc fifth semester students in April 2021 through online mode

We understand that the Undergraduate syllabi of Zoology may likely to be revised in view of proposed National Education Policy [NEP] 2020. Against the backdrop of NEP 2020, we have collected feedback on curriculum from our BSc third year (fifth semester students) students through online mode. The feedback format (copy is attached with this letter) was mailed to all CBZ students (54) and they were informed to mark their opinion and mail back the filled in format to the faculty.

Student's feedback is collected, analyzed and sent here with for the needful action in the matter. Please consider the inputs of our students opinion while upgrading / revising the syllabi.

Thanking you
