Respected Sir,

I am glad to inform you that faculty of our Zoology department have successfully conducted the workshop with reference to revision of fifth and sixth semesters Zoology syllabus which is due for revision with effect from 2019 – 20.

36 Zoology teachers working in various colleges affiliated to RCU took part in the deliberations and gave their suggestions for revising the syllabus. The suggestions of teachers have been recorded by Prof A S Kandagal and Smt S R Sabarad, members of UG – BoS in Zoology. Dr Girish Kadadevaru, Associate Professor, PG Department of studies in Zoology, Karnatak University Dharwad inaugurated the workshop and gave useful tips for the teachers.

The teacher delegates who took part in the workshop were requested to give their opinion in the form of feedback on the existing syllabus for first to fourth semesters. The teacher's feedback on curriculum is analyzed. The outcome of feedback analysis says that (1) 10-20% of curriculum needs revision (2) Curriculum needs revision to increase the imagination power of students. **Hence kindly inform the UG Zoology BoS members to keep these two points in mind while revising the syllabus for first to fourth semesters.**

*Sir, we thank you for encouraging us to conduct workshop before revising the syllabi.*

Thanking you,

Yours faithfully
