22. Mentor's Observation:

Problems of the Student	Remedies suggested by the Mentor
1. Asking for help	* I suggested him to don't hesitate to ask help to anybody and said that be friendly with all
2. Lack of focus	* I suggested him to do yoga on every day that increases your concentration power and then that can help to focus on things.

22. Feedback of the student: Introduction of more practical concepts will be helpful.

Sub: Mentees Report.

Respected Sir,

BSc 1st sem 2019-20 batch 20 students were allotted to me for mentoring. Throughout the semester few students performance is extremely good, but few students were not upto the mark. In the semester end examination many students failed due to several reasons. (flood & Bus timings) they were absent for few classes. So its strictly instructed to all the mentees to attend classes regularly & discuss with respective class teachers.

For failed students we have collected the previous year questn papers and informed them to write the answers their own, & problems solved by the help of teachers and advance learners.
