Resource person	Shri. Shivaji Nimbalkar, Yoga Teacher, Raibag	
No. of participants	Staff: 38	Students: 195
Objectives	<p>To strengthen the global co-ordination among people through yoga.</p> <p>To make people aware of physical and mental health.</p> <p>To get win over all the health issues through Yoga practice.</p> <p>To educate staff and students about importance of Yoga.</p>	
Summary of the Proceedings	<p>It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. To educate staff and students about importance of Yoga, International Yoga Day is celebrated by conducting special lecture on Yoga and Yoga Practice. The program started at 10.30 am in the college. Shri. Shivaji Nimbalkar, Yoga Teacher has invited as chief guest for the programme. He explained the importance and usefulness of performing Yoga. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Yoga asanas build strength, flexibility and confidence, he added. He made a demonstration of various asanas like Bhujasan, Dhanurasana, Siddhasana and more to the participants. Dr. M. T. Kurani, Principal presided over the programme. In his presidential remarks he said Yoga is not just about bending or twisting the body and holding the breath. It is a technique to bring you into a state where you see and experience reality simply the way it is. If you enable your energies to become exuberant and ecstatic, your sensory body expands. This enables you to experience the whole universe as a part of yourself, making everything one; this is the union that yoga creates. All teaching and non-teaching staff, students got benefitted from this program. Program concluded by vote of thank by Dr. B, G. Kulkarni.</p>

Title of the Programme	ARIVU – Street Play on Consumer Awareness	
Date	16.10.2019	
Place	Market and Kumbar Galli at Kerur, Chikodi Taluka	
Coordinator/s	Smt. S. M. Mirje	
No. of Beneficiaries	Kerur villagers - 104	
No. of participants	Staff : 08	Students : 21
Objectives	<p>To enhance consumer education among villagers.</p> <p>To inform the villagers about various unfair trade practices of traders.</p> <p>To create awareness about consumer rights.</p> <p>To promote and protect an economic interest of consumers.</p>	
Summary of the Proceedings	<p>There are various unethical practices practicing by traders by which consumers are suffering and incurring losses. Due to lack of awareness about consumer rights and laws among consumers especially in rural areas, consumers are facing problems before, during and after purchase of products. To create awareness through Street Play among consumers, Department of Commerce – eight faculties and 21 students visited market area and Kumbar galli of Kerur village on 16th October, 2019. Students have made an announcement of performing street play and called the surrounded people. After gathering of people, students started to perform the street play on consumer awareness in which 3 activities were done by students by providing information about unethical practices of traders, consumer rights and consumer laws. Two Street plays were performed in two different places. The street play was concluded with a speech by Smt. S. M. Mirje about protection of consumers from unethical practices by traders.</p>

Place	College campus	
Coordinator/s	Prof. N. B. Patil	
No. of Beneficiaries	Students: 279	
No. of participants	Staff : 01	Students : 26
Objectives	To enhance reading habit among the students. To provide knowledge of moral values, personality development reading skills.	
Summary of the Proceedings	<p>Reading is important because it develops readers' mind and gives them excessive knowledge and lessons of life. It keeps readers' mind active and enhances the creative ability, moral values etc. To develop reading habit among the students the Department of Commerce organized a program: Pustaka Pradarshan – Vaachan Saptah for seven days in the college campus on the eve of Youth Day from 14th to 21st January, 2020. Notice of the programme containing details about benefits of the programme is circulated to all the classrooms and students are encouraged by the staff for taking benefit of the same. More than 200 books on various topics viz. moral education, personality development, How to face exams?, Patriotism, Great personalities, Vidyabhyas, No fear etc., were displayed on the table in the entrance of the college building and all the students are allowed to take home any of these books to read for maximum two days. During these 7 days of the programme 279 students of different courses have got benefitted from this programme. Twenty six students of B.Com have actively participated in the event by maintaining issue register.</p>

Title of the Programme	Extension Activitiy “ Hands-on training in Physics for SSLC Students” Government High School, Basanalagaddi.
Time and Date	10am to 01 pm, 17 th January, 2020
Place	Physics Lab.
No. of Beneficiaries	36 students and 01 faculty member
Objectives	<p>To learn to</p> <ul style="list-style-type: none"> ➤ Basic principles through experiments ➤ gain sound practical knowledge ➤ Enable the students to understand the mode of working of basic physics experiments with theoretical background ➤ Learn and explore the fundamentals of physics concepts.
Summary of the Proceedings	<p>Head of the department, Shri. R M Patil welcomed the students and presented the theme of Hands-on training in physics. The chairperson of this training is Shri. U R Rajput, Principal of the college told that it was a rare opportunity for SSLC students to learn physics theory with experiments. The main aim of this training is to make students understand the fundamentals of physics.</p> <p>This Hands on training included six basic physics experiments and each experiment was explained by our department members as follows; 1. Verification of Ohm's law-Shri.R M Patil, 2. Combination of resistance in series and parallel-Shri. R A Nimbalakar, 3. Solar cell-Dr. Raghu S, 4. Dispersion of light spectrometer-Shri. B N Havaraddi, 5. Lens experiments-Miss. V M Sangali, 6. Spectrometer construction and working-Dr. S Matteppanavar and Shri. R A Nimbalakar proposed vote of thanks.</p>

DEPARTMENT: CHEMISTRY

Title of the Programme	Outreach Program on “Hands on training in Chemistry for High School Students” in Chemistry Department.
Date	17-01-2020
Place	Chemistry Department Laboratory
Resource Person	Dr. S. M. Patil, Shri S. S. lathe and Miss P. B. Dubale
No. of Beneficiaries	36 Students (9 th Standard) Government High School, Basavanal Gadde Tq; Chikodi.
Objectives	<ol style="list-style-type: none"> 1. To develop and inculcate laboratory skills and techniques in Chemistry. 2. To enable the student to understand the basic chemical concepts in Chemistry. 3. To develop scientific temper in the young youth.
Summary of the Proceedings	<p>The extension activity for high school students commenced with Welcome speech by HOD Prof. S. B. Vanjire.</p> <p>Dr. S. M. Patil carried out the experiments to understand the behavior of metals like Alluminium & Copper with water hydrochloric acid. And also performed experiments to understand the behavior non metals like Bromine & Silicon with hydrochloric acid & aqueous media.</p> <p>Prof. S S. Latthe explained the techniques to identify and differentiate acids and bases by litmus paper.</p> <p>Prof. P. B. Dubale Setup a distillation plant and students observed the process of distillation & distillate collected in the receiver.</p> <p>Finally activity is concluded with vote of thanks by Prof. Raju</p> <p>Outcome: Experiential learning through performing the experiments</p>

Date	17-01-2020
Place	Chemistry Department Laboratory
Resource Person	Dr. S. M. Patil, Shri S. S. lathe and Miss P. B. Dubale
No. of Beneficiaries	25 Students (10 th Standard) Government High School, Basavanal Gadde Tq: Chikodi.
Objectives	<ul style="list-style-type: none"> ➤ To develop and inculcate laboratory skills and techniques in Chemistry. ➤ To enable the student to understand the basic chemical concepts in Chemistry. ➤ To develop scientific temper in the young youth.
Summary of the Proceedings	<p>The extension activity for high school students commenced with Welcome speech by HOD Prof. S. B. Vanjire.</p> <p>Dr. S. M. Patil Carried out various chemistry experiments from 10th standard curriculum. Students have learned the behavior non-metals like Iodine & Bromine with hydrochloric acid & aqueous media. And also understand the techniques to identify and differentiate acids and bases by litmus paper.</p> <p>Miss. P. B. Dubale demonstrated distillation plant and students actually observed the process of distillation & distillate collected in the receiver.</p> <p>Shri. S. S. Lathe kept many salts like FAS, FeCl₃, K₂Cr₂O₇..etc organic compounds like Benzene, Toluene, Aniline, Acetone..etc for their observation which they studied in the curriculum.</p> <p>Finally activity is concluded with vote of thanks by Prof. Raju</p> <p>Outcome: Experiential learning through performing the experiments</p>

Title of the Programme	Voters' Awareness Program	
Date	29.01.2020	
Place	Jainapur	
Resource person	Dr. B. G. Kulkarni, Head of Political Science Department	
No. of Beneficiaries	90	
No. of participants	Staff: 06	Students: 90
Objectives	<ul style="list-style-type: none"> • To educate students about voting. • To make the youth to understand their responsibilities in democracy. • To encourage the students to participate in the voting process. 	
Summary of the Proceedings	<p>Under the special NSS camp held at Jainapur, the voters' awareness program was organized. Dr. B. G. Kulkarni was the chief guest. During addressing to the students he motivated students to cast vote and fulfill the role in the democracy. He also added that, in democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quintessential to sensitize them about the importance of participating in the electoral process. Moreover, voters need to be educated about the process and made aware of the political parties, their manifestos, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' vote. He said you should vote to make your voice heard. Your chance to vote gives you the power to choose the most suitable representative who can run the constituency, State and Country. He urged and called al youth of the age above 18 years must enroll their names in the voters list. Shri Iragouda Kelaginmani, GP member presided the programme. Jyoti Kanae, NSS volunteer, gave vote of thanks.</p>

Summary of the Proceedings	<p>Organic farming yields such vital benefits as preservation of soil's organic composition. Organic farmers utilize practices that: Maintain and improve fertility, soil structure and biodiversity, and reduce erosion. Reduce the risks of human, animal, and environmental exposure to toxic materials. By understanding the importance of Organic farming, to educate the farmers of Karoshi village NSS cell has organized this awareness program. The program started with the prayer song and welcome address by NSS volunteers – Shivanand Sangati and Jyoti Kanade. Prof. R. R. Naik, resource person, he spoke about the importance and benefits of organic farming. He interacted with farmers and suggested some techniques to be adopted in during farming to improve the yield and retain the fertility of soil. Farmers who have gathered were benefited by the program and they expressed their gratitude towards resource person. The program was concluded by vote of thanks by Akshata Shanawad.</p>

Title of the Programme	<i>Extension Activity</i> “ Adverse Effects of Plastic on Human Health and Agricultural Soil”
Time and Date	4.00 pm 31 st , January 2020
Place	Basaveshawar Temple, Jainapur Tq. Chikodi Dist. Belagavi
No. of Beneficiaries	75 students 02 staff members and about 200 people
Objectives	<ul style="list-style-type: none"> ➤ To create awareness on why we avoid plastic ➤ To understand the chemical in the non-degradable plastics and its hazards ➤ To know the negative impact of plastic on agricultural lands ➤ To create awareness on precautionary measures to avoid use the plastic
Summary of the Proceedings	<p>Dr. S.R. Matteppanavar welcomed the gathering and presented the theme of awareness program. He told that use of plastic is very dangerous for human as well as animal life and informed them to avoid the use of plastics. Many chemicals used to make plastics, including packaging plastics, are highly hazardous and therefore of significant concern for occupational health also mentioned.</p> <p>In Jainapur village, Physics department staff and college B.Sc students are arranged awareness rally on “No Use of Plastic and its advantages” by showing the different types of banners and posters. The rally ended with vote of thanks.</p>

3/26 COY NCC

Title of the Programme	International Yoga Day
Date	20 – 06 – 2020 to 26 – 06- 2020
Place	Via Online, Respective Cadets at their Home
Resource Person	No
No. of Beneficiaries	53
Objectives	<ul style="list-style-type: none">✓ Practiced in India since the 5th century, Yoga has been beneficial in keeping the body and mind in sound health.✓ A holistic approach, Yoga targets all the different systems of the body and mind.✓ The asanas make the body strong and flexible, as health improves; the mind too is renewed with confidence.✓ The practice of Pranayama regulates the purification of the internal system and the organs, acting as a superior and able supplement to asanas.✓ The energy that is generated in the body through these physical practices is then channeled into meditation or <i>Dhyan</i> for stability, peace and calm.
Summary of the Proceedings	Yoga plays a significant role during the world crisis of Covid-19 as yoga boosts our immunity and is known to cure respiratory disorders. Pranayama or breathing exercises increase our oxygen intake by up to five times. Through this rich oxygenation of blood to the brain, heart, lungs, and digestive systems; our organs functioning is vastly improved thus also improving our overall health. As a healing and other alternative form of therapy, yoga helps to relieve stress and keeps the mind calm. Few 3/26 Coy NCC Cadets SW 19, SD 33 and ANO were participated in Yoga at their home 21- 06- 2020. Few selected photos were attached.

Title of the Program	Awareness Program on "Food Adulteration"
Date and Time	21 st March, 2021
Place	Kerur, Taluk: Chikodi, Dist : Belagavi
Resource Persons	Dr. S. M. Patil & Shri. S. S. Latthe
No. of Beneficiaries	40
Objectives	<ul style="list-style-type: none"> To bring awareness about the harmful effects of food adulterations to rural people To demonstrate the simple techniques to identify adulteration
Summary of the proceedings	<p>Food adulteration in the country has assumed alarming proportions. The main reasons for this are our farmers are not trained properly in the use of chemical fertilizers. Harmful effects of food adulteration and diseases caused by chemicals added to bring attractiveness to the food items. Effective national food control systems are essential to protect the health and safety of domestic consumers.</p> <p>It is followed by demonstration and identification of food adulteration by Dr. S. M. Patil and Shri. S. S. Latthe, assisted by B.Sc. Chemistry students (09). Adulterated and unadulterated samples were taken and shown how the sample leave color upon adding water. Also demonstrated simple techniques to identify the adulterated food. People were actively participated.</p>

Title of the Programme	International Yoga Day
Date	18 June to 21 June 2021
Place	Via Online, Respective Cadets at their Home
Resource Person	Madhu Mahabali
No. of Beneficiaries	62
Objectives	<ul style="list-style-type: none"> ✓ Practiced in India since the 5th century, Yoga has been beneficial in keeping the body and mind in sound health. ✓ A holistic approach, Yoga targets all the different systems of the body and mind. ✓ The asanas make the body strong and flexible, as health improves; the mind too is renewed with confidence. ✓ The practice of Pranayama regulates the purification of the internal system and the organs, acting as a superior and able supplement to asanas.
Summary of the Proceedings	<p>Yoga plays a significant role during the world crisis of Covid-19 as yoga boosts our immunity and is known to cure respiratory disorders. Pranayama or breathing exercises increase our oxygen intake by up to five times. Through this rich oxygenation of blood to the brain, heart, lungs, and digestive systems; our organs functioning is vastly improved thus also improving our overall health. As a healing and other alternative form of therapy, yoga helps to relieve stress and keeps the mind calm.
